### **EnviTec Biogas expands Executive Board:**

#### **Roel Slotman in charge of International Sales (CCO international)**

**Lohne, 30 September 2009** – EnviTec Biogas AG (ISIN: DE000A0MVLS8) has strengthened its management team by appointing Roel Slotman (38) new member of the Executive Board (CCO international). Roel Slotman will assume responsibility for International Sales with immediate effect. Born in the Netherlands, he has worked as export manager on the international sales team of the biogas plant manufacturer and operator since 2005. Before joining EnviTec Biogas, the engineer held leading positions at Biothane Systems Int. B.V., Norit membrane technology B.V. and others.

“Over the past years we have grown significantly outside Germany. Today we operate not only throughout Europe but also in Asia and Roel Slotman has had a major part in this successful development,” says Olaf von Lehmden, CEO of EnviTec Biogas, who previously held responsibility for International Sales. Going forward, the company’s international activities will make an important contribution to its growth. More and more countries have become aware of the advantages of biogas as an environmentally compatible and local source of energy and created an attractive environment to promote the technology.

**EnviTec Biogas AG** covers the entire value chain for the production of biogas - including the planning and turnkey construction of biogas plants as well as their commissioning. The company provides the biological and technical service and also offers the full plant and operating management. In Güstrow, in the German state of Mecklenburg-Western Pomerania, EnviTec build the world’s largest plant for the production of biogas to natural gas standards with an thermal output of 55 megawatts. In addition, the company also operates its own biogas plants. Today, the company is represented in more than 15 countries throughout Europe and as well in China and South Korea. In 2008 EnviTec generated revenues of EUR 101 million and EBIT of EUR 3.2 million. The EnviTec Group currently has about 350 employees. Since July 2007 EnviTec is listed on the Prime Standard segment of the Frankfurt Stock Exchange.
